President's Message

Welcome to the 160th Chatsworth Fall Fair. We are excited to be once again hosting our fair. We are grateful to the Williamsford Community Centre for welcoming us to their facility and grounds. Without community we are nothing.

We have been busy planning a jammed packed itinerary of events. Please plan on attending and exhibiting in our Fair. We are once again having Power Paws, dog agility show, as well as Derek the chainsaw carver, returning to wow us once again. BlackRock Climbers is bringing a climbing tower. Come early to enjoy our delicious breakfast buffet and stay all day. The Firefighters BBQ will be open for lunch. Save room for a piece of pie after lunch organized and baked by our volunteers. A sheep show and sheep shearing demonstration are just some of the events scheduled. Find a spot and rest if needed and enjoy the music or watch the always entertaining Lawn Tractor Rodeo.

There is something for young and old and I'm grateful to be a part of this great group of volunteers. Like what you see? Join us ... we welcome new volunteers. It takes a village to plan and organize this great event.

Thank you, all of our community sponsors, volunteers and especially everyone who comes back each year to enjoy our Fair.

See you September 16th, we can't wait to entertain you!

Joanne Anderson - President

General Rules and Regulations

1) Insurance

Exhibitors must provide proof of liability insurance as stated in the Rules at the beginning of appropriate Classes in this book. Persons without proof of insurance will not be permitted to participate or compete. Insurance requirements for persons wishing to participate in any other activities sponsored by the Society, such as but not limited to operating a vehicle or riding/driving a horse in the Santa Claus Parade, are the same as for exhibitors at the Fair.

2) Responsibility

The Chatsworth Agricultural Society, either as a group, or its individual Members, will not assume any liability or responsibility resulting from any accident or injury, however caused, to any person or persons while they are on the Fair Grounds. Further, the Society and its individual Members will not assume any responsibility for loss or damage to any person, property, or animal while on the Fair Grounds.

3) Membership

The membership fee set by the Board of Directors will be clearly displayed on the first page of the annual Fair book. This fee must be paid to the Secretary or Treasurer no later than the Saturday of the Annual Fair. Junior memberships are available at no charge for Elementary School students (up to and including Grade 8 or equivalent). There are no family memberships.

4) Entry Fees, Parking and Other Charges

The Board will establish fees for entry to the Fair Grounds and other fees as may be appropriate. Entry fees will be clearly displayed at the entrance to the Fair Grounds and on the first page of the annual Fair book. Committees may set special fees which will be described in the Class Rules.

5) Exhibitors

- a) Generally, exhibitors must be Members or Junior Members in the current year.
- b) The exceptions to Rule 5 (a) are:
 - i) 4-H Club exhibitors in Class 4 (Sheep) are not required to be Junior Members or Members, are not required to pay an entrance fee at the gate and are not required to pay for participation in those Classes.

- ii) As long as they meet any age requirements specified, High School students are not required to be Members to exhibit in any Class for young people (for example: Class 7 – Youth Activities; Class 20 – Junior Fair; and the Grey County Farm Safety Association Poster Contest).
- c) Ages for children are as of the date of the Saturday of the Fair unless otherwise noted.

6) Articles, Animals and Produce (additional Specific Rules also apply in some Classes)

- a) Articles exhibited must be owned by the exhibitor and produce exhibited must have been grown by the exhibitor in the year.
- b) Animals exhibited must be owned by the exhibitor except in the case of 4-H members (for whom 4-H rules apply) and for Showmanship competitions.
- c) Animals exhibited must be in their places on the Fair Grounds and properly secured or caged by the time specified in each Class.
- d) Any livestock that appears sick must be removed by the exhibitor at the request of the relevant Committee.
- e) Articles entered for exhibition in the hall may be put in their assigned places between 7:00 pm and 9:00 pm on Thursday evening or on Friday morning. All articles must be placed by 12:00 pm on Friday after which judging will begin.
- f) The exhibitor's name should normally appear only on the hidden portion of entry tickets, but the owner's name may be on an article as long as it is not visible to a judge (for example: on the bottom of a pie plate in Class 11; on the bottom of a vase in Class 13; or on the back of a photo in Class 17).
- g) Exhibitors or their representatives must place their own exhibits.
- h) No exhibitor may enter more than once in any Section of a Class.
- i) No exhibit shall be removed from the hall until 4:00 pm on Saturday afternoon.
- j) While Directors will take appropriate precautions to ensure the safety of articles brought for exhibition, no payment will be made in the event that any article is damaged, lost or stolen.

7) Judging

- a) Competent judges will be engaged for judging of the Fair exhibits, animals, and contests.
- b) No person shall interfere with a judge in the discharge of her/his duties.

- c) Any exhibitor abusing a judge in any way will be asked to leave the Fair Grounds immediately and will be barred from exhibiting at the Fair for a period of time to be decided by the Board of Directors.
- d) Only exhibitors, judges and officials of the Society will be allowed inside any show ring.
- e) Only judges and officials of the Society may be present at judging of exhibits in the hall.
- f) A judge may decide to not make any award if he/she deems an animal or article to be unworthy or may decide that none of the animals or exhibits is worthy of first or any prize.

8) Prizes

- a) Exhibitors in most Classes must list their winning entries on the Prize Money Claim Form provided (in the middle of the Fair book) and return it to the Treasurer by September 30th. If the form is not provided by that date, prizes will be paid in accordance with the sheets prepared by the judges which shall be taken as final. Extra copies of the form are available on the day of the Fair.
- b) Exhibitors are responsible for picking up merchandise or vouchers from the Secretary or Treasurer on the Saturday of the Fair. If this is not possible, it is the responsibility of the Exhibitors, not the Society, to make other arrangements.
- c) The Treasurer is authorized to deduct the membership fee for the next year from prize money claimed for those Classes in which prize money is paid after the Fair.
- d) Any person donating a Special Prize for a specific Section in a Class is not allowed to compete for that prize in that Section.
- e) The Society will not be held responsible for any Special Prize in the event that the donor does not make the donation.
- f) Should any fraud or deception be discovered on the part of an exhibitor or their representative, the Board of Directors may withhold any prize and may prohibit such exhibitor from exhibiting for such time as it determines and may publish the name of such exhibitor should it be deemed necessary to do so.
- g) The Society will pay prizes by the end of October of the current year.
- h) Prize money not claimed, including prize cheques not cashed, will be considered to be a donation to the Society.

9) Protests

- a) Any exhibitor may lodge a protest about the outcome of judging. Protests must be in writing and delivered to the Secretary by 4:30 pm on the Friday

immediately following the Fair. The letter of protest must state clearly the reasons for the protest and must be accompanied by a payment of \$10.00.

- b) The Board of Directors shall consider the protest and make a decision within three weeks. If the protest is upheld, the monetary award that would have been appropriate will be paid and the fee of \$10.00 shall be refunded. If the protest is not upheld, the payment of \$10.00 shall be forfeited to the Society.

10) Applicability

The preceding Rules and Regulations, and all additional Specific Rules for each Class, will be strictly enforced.

How to Enter

Chatsworth is a mainly rural area, but we have many Members who live in nearby cities, towns and hamlets, and some who live afar but have roots in this area. New Members are welcome; we encourage you to participate in our friendly competitions.

For our new Members, here's how you can enter.

1. Contact our Secretary (519) 794-2523 (chatsworthagsociety@gmail.com) to arrange to join, or simply buy your membership when you arrive to place your exhibits on Thursday evening or Friday morning.
2. Note your unique Member number on your Membership card.
3. Fill out an Exhibitor's Ticket for each Section of each Class you wish to enter, being sure to include your Member number.
4. Some Classes have special prizes for new exhibitors, so if this applies to you, be sure to note it on the hidden portion of the ticket.
5. Ensure that your exhibits satisfy all General Rules and Class Rules.
6. Place your exhibits on Thursday evening or by noon on Friday (or the different time specified in the Class Rules).
7. Come to the Fair to bask in the glory of your winning exhibits, to be amazed at the ingenuity and skills demonstrated by others, and to see and learn about things ranging from *Antiques* to *Zucchinis*.
8. Mail or deliver your Prize Money Claim Form (in the middle of this booklet) to the Treasurer by October 15, 2023 – and begin planning for 2024.
9. Spare Prize Money Claim Forms are always available at the Fair.
10. Please consider checking the "YES" box on the Prize Money Claim Form to receive occasional emails (we promise it won't be more than once per month) from the Chatsworth Agricultural Society containing information about news and events.

The **Ben Morris Memorial Endowed Fund** was created in 2011 at Community Foundation Grey Bruce by the family of the late Ben Morris who was raised in the Chatsworth area.

The Chatsworth Agricultural Society is one of the designated beneficiaries of a portion of the annual income from this Fund. We are very appreciative of this yearly gift.

Class 1: POULTRY Cancelled this year due to Avian Flu

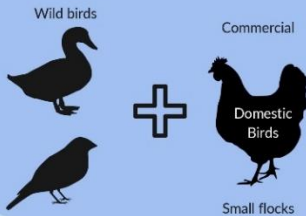

Avian Influenza

Highly Pathogenic Avian Influenza (HPAI) virus have been detected in wild birds and small flocks in Newfoundland and Nova Scotia. These findings continue to support evidence that HPAI is currently present in the Atlantic Americas migratory flyway. Below is the information for backyard flock owners which can help identify and contain the spread of this disease in Ontario.

ATTENTION FARMERS!

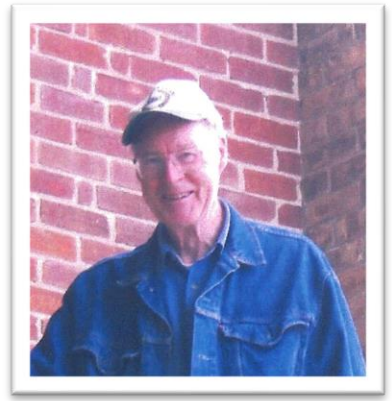

Based on the number of exhibits in this Class in recent years, visitors to our Fair could be left with the impression that Grains, Seeds and Field Crops aren't important in the Chatsworth area.

Please help us correct that wrong impression.
by becoming an exhibitor at the Chatsworth Fall Fair!

Salute to Don Campbell

This year's Chatsworth Fall Fair marks the end of an era. Don Campbell is retiring his Director's badge.

For as long as we can remember Don has been the "Roots and Vegetables Guy" at our fair. Don has worked diligently on this popular class and has displayed entries with pride.

He is a well-organized and meticulous volunteer who is always supportive of other members and the executive.

Don's right hand man Gord Chisolm has remarked at what a reliable and hard worker Don is, always ""getting the job done".

Photography is also an area of interest for Don, and he organized and entered in that section for several years. His lovely pictures highlight his creative side.

When he wasn't working on his classes for the fair book, he could be found painting signs for fair day or making one of his special projects for our silent auction.

Don's people skills were always evident on Fair day when he would direct traffic to parking places on the grounds...never an easy job! He could be found taking gate admissions, helping at the fish fry and generally doing whatever he could to make things run smoothly.

Thanks, Don, for all you have done. Don't be a stranger!

Some Helpful Pointers

Subject: Keep in mind the section you are entering your photo in; put your photo where it fits best. A photo of a squirrel probably will not win against a photo of a bear in the “Wildlife” section, it may be better suited in the “Black & White Photo” section.

Creativity: That first impression, ‘WOW!’ factor, is important. Show us something no one has ever seen before. A new perspective on an old object, or a detail that someone else may have missed.
